

STRETTON BEE

The newsletter of Stretton Sugwas Church of England Academy

“Each bee plays a part in the hive.” inspired by 1 Corinthians 12 : 12-31
“Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ.”
 To strive to help everyone discover and use their gifts as part of a team, we encourage them to “bee” long, “bee” lieve and “bee” have.

Voice of Mr Davies- Executive Headteacher
 May is always an emotional month. The Year 6 children finally get to show off their skills in the SATs and breathe a sigh of relief afterwards. There's always a celebratory mood when they finish and feel a sense of achievement. Well done to all of the Year 6s for all of your hard work and also to the team of parents, carers, teachers and support staff who have helped you to grow in confidence.

Voice of Mr Ford- Headteacher

This month's theme has been Mental Health. In assembly, we've continued to talk about the value of service and how we can help others. Part of that is realising what a superhero we are. The children looked at the story of Pentecost and the power of the Holy Spirit. They looked at Popeye too and his spinach-filled powers! Hopefully, the children have become more aware of what their power is, how they can use it to help others and also appreciate how valuable they are to save someone's day!

Voice of our community-

We are looking to work more closely with Hereford Food Bank. June and Selwyn visited Stretton and were impressed by the heartbeat of the school, the feel of community within it and the amazing children.
